

# HMIL bets on Venue to maintain growth

R RAVICHANDRAN  
Chennai, May 2

HYUNDAI MOTOR INDIA Ltd (HMIL) is betting big on Venue, a compact SUV which will be launched shortly.

Amid challenges and subdued market sentiment, HMIL expects Venue will not give the needed impetus to maintain its growth momentum in the domestic market but also help to attain leadership in the overall sports utility vehicle (SUV) segment going forward.

With bookings for Venue starting on Thursday, HMIL is confident that it will sell at least 8,000 units a month that will go up in a few months.

The company hopes that exports, which is expected to begin in a few months after launch, will shore up Venue's monthly sales further, said sources close to the market developments. Venue is slated for launch on May 21 and is being pitted against market leader Maruti Brezza, Tata's Nexon, Ford EcoSport and M&M's XUV 300, among others, in the compact SUV segment. With Venue in place, Hyundai India sets sales target of 7.4 lakh units in 2019, including exports.

The compact SUV segment is growing faster than other segments in the PV segment and has a potential of 30,000 to 35,000 units a month. Brezza leads the pack with an average monthly sale of 13,000-14,000 units, followed by other models, said Siam sources. The SUV segment holds close to 30% of the overall passenger vehicle sales in India.

HMIL managing director & chief executive SS Kim, while declining to comment on Venue's sales, said like its popular SUV Creta, Venue would do equally, given the encouraging response from customers. The company has introduced the Hyundai Blue Link in the Indian market for safety and convenience of customers and vehicle management services.
